

We're Under Attack!

Wages are stagnant and the price of everything continues to increase. Capitalists are hell bent on maintaining low wages and debt. Recently Publix, Walt Disney, Walmart & even the state of Florida joined forces to bring a law suit against the city of Miami Beach for their attempt to increase wages for low paid service employees.

Meanwhile, city of Miami mayor Gimenez is making alliances with Donald Trump to deport us, our families, and Neighbors.

They'll gut and privatize all social services, from healthcare to education. These attacks on us only benefit capitalists.

Now, more than ever, workers and working people must stand up,
fight back, and organize!

Only we can build an alternative to this toxic mess. We are the
essence of our economies, neighborhoods and culture.

capitalism is the problem!
We are the solution!
Let's get organized!
our future depends on it!
